

Senior IAM Consultant (m/f/d) - One Identity

Dive into the forefront of Identity and Access Management (IAM) as a **Senior IAM Consultant (m/f/d)** specializing in **One Identity**. Join our dynamic team in **Switzerland** and enjoy the best of both worlds: the flexibility of **remote work** with **occasional travel to customer sites**.

Role Overview

The Senior IAM Consultant (m/f/d) position for One Identity offers an exciting opportunity for an experienced professional to lead the design and implementation of One Identity Manager solutions. The successful candidate will play a crucial role in delivering cutting-edge IAM solutions, leveraging their extensive expertise in One Identity technologies.

Your Key Responsibilities

- Lead the **design and implementation of One Identity Manager solutions**, ensuring alignment with customer requirements and industry best practices.
- Collaborate with cross-functional teams to **integrate One Identity solutions into existing IT environments**, addressing complex IAM challenges.
- Provide **technical guidance and mentorship to junior team members**, fostering skill development and knowledge sharing.
- Engage directly with clients to understand their IAM needs, identify opportunities for improvement, and deliver customized solutions.
- Stay **updated on emerging trends and technologies in the IAM space**, contributing to the continuous enhancement of service offerings.

Your Skills and Requirements

- Extensive experience in **designing and implementing One Identity Manager solutions** at an enterprise level.
- Proficiency in **English, and German or French language**, enabling effective communication with diverse stakeholders.
- Strong understanding of **Identity and Access Management principles, protocols, and technologies**.
- Proven ability to lead **IAM projects from inception to completion**, demonstrating excellent **problem-solving and decision-making skills**.
- Experience in providing **technical leadership and mentoring to junior team members**, fostering a collaborative and innovative work environment.
