

Senior IAM Consultant (m/f/d) Ping Identity

We are looking for a **Senior IAM Consultant (m/f/d) for Ping Identity** to join our team **remotely in France**. Work with us to develop advanced IAM strategies and improve cybersecurity for our global customers!

Role Overview

As a Senior IAM Consultant (m/f/d), **you will play a critical role in the design, implementation, and support of IAM solutions for our clients**. Your primary focus will be on providing expertise in **Ping Identity Services (PingID, PingDirectory, PingFederate)** and/or others depending on your prior experience. You will work closely with our clients to understand their unique requirements and translate them into effective IAM strategies. This role requires excellent technical knowledge, strong communication skills, and the ability to work independently in a remote setting.

Your Responsibilities

- Collaborate with our clients to understand their **IAM requirements and objectives**
- Develop and implement **IAM solutions tailored to meet our clients' unique needs**
- Leverage your expertise in **IAM solutions, with a focus on Ping Identity/Directory Services**
- Conduct thorough assessments of clients' **existing IAM infrastructures** and provide **insightful recommendations** for improvements
- Work closely with **cross-functional teams** to ensure seamless integration and successful **deployment of IAM solutions**
- Provide **comprehensive documentation** and conduct **training sessions** to enable clients to effectively use the implemented IAM solutions
- Stay **up-to-date with the latest industry trends and best practices** in IAM to continuously enhance your skills and contribute to the growth of the team

Your Skills and Requirements

- **3+ years of practical experience** in developing and implementing IAM solutions
- Experience with **Ping Identity Services** (PingDirectory, PingID, PingFederate) and/or others
- Strong **problem-solving skills** and the ability to **address complex IAM challenges**
- Proven ability to **work independently** as well as collaboratively within a **team-oriented environment**
- **Excellent communication and interpersonal skills**, with the ability to **build rapport** with clients and **understand their IAM needs**

- Flexibility to **travel occasionally to client sites in Paris or other regions within France**
- Fluent in both **English and French** (written and spoken) to effectively communicate with clients and stakeholders
